Part 1: Notices

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. - ☒ The debtor(s) will maintain the current contractual installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor(s).

For secured claims of governmental units, unless otherwise ordered by the court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. Under Bankruptcy Rule 3015(c), nonstandard provisions must be set forth below. A nonstandard provision is a provision not otherwise included in the Official Form or deviating from it. Nonstandard provisions set out elsewhere in this plan are ineffective.

The following plan provisions will be effective only if there is a check in the box "Included" in § 1.3.

(a) The Local Rules of Practice of the United States Bankruptcy Court for the District of Utah are incorporated by reference in the Plan.

(b) Any order confirming this Plan shall constitute a binding determination that the Debtors have timely filed all of the information required by 11 U.S.C. § 521(a)(1).

(c) Tax Claims not Otherwise Provided for in the Plan. Any allowed secured claim filed by a taxing authority not otherwise provided for by this plan shall be paid in full at the same distribution level as arrearage claims provided for under part 3.1, with interest at the rate set forth in the proof of claim. Interest will run from the petition filing date. A taxing authority is defined as a governmental entity with statutory authority to levy or lien, through which the governmental entity obtains secured status. This includes, but is not limited to, offices of the State of Utah, the Internal Revenue Service, and Salt Lake County.

(d) Applicable Commitment Period. Pursuant to §1325(b)(4), as calculated under Part 3 of Form 122C-1, the Applicable Commitment Period for this case is 60 months.

On or before April 30 of each applicable tax year, the Debtor(s) shall provide the Trustee with a copy of the first two pages of filed state and federal tax returns. The Debtor(s) shall pay required tax refunds to the Trustee no later than June 30 of each such year. However, the Debtor(s) are not obligated to pay tax overpayments that have been properly offset by a taxing authority.

For all claims the debtor elects to pay directly, Local Rule 2083-2(i)(4) applies. Claims to Be Paid Directly:

(i) Third-Party Payment of Claims. If the Plan provides that a nondebtor shall pay a claim directly, the third-party payment designation will be listed below as a nonstandard provision.
